

ST. PETER'S NEWSLETTER

2A Killeen Street, Sunshine South West:

August 23rd 2021

Dear Families,

I am sorry to be delivering you this letter later than usual. It's amazing how busy life in lockdown can be, especially when working with our families and children to keep you all safe and learning to the best of your abilities.

I can't imagine how difficult life is becoming for you all, but I am inspired by our children and their ability to learn and be their best no matter what is placed in front of them. I have really enjoyed our past two assemblies. I apologise to those people who were unable to attend due to number restrictions. I will be sending out an email link this week to your child's account to join our assembly. Our fingers are crossed this will enable our entire community to gather together virtually.

Remote Learning

While the majority of our children are attending their Google Meets, I remind you that every St. Peter's students must be online at 9.00am each morning to be marked on the roll and hear what their learning is for the day, as well as catching up with their classmates each morning.

Book Week Assembly

The theme for this book week is 'Old Worlds, New Worlds, Other Worlds'. We look forward to seeing all of our children dressed up online at our assembly on Friday at 11.30am.

School Fees

Thank you to all of our families who have paid over \$33,000 of outstanding fees in the past fortnight. We now have **\$56,000 remaining in outstanding fees**. When this money is collected it will help to pay for our new classroom furniture that will be delivered to the school in early November. Please call Leah and Cora to finalise your account.

I continue to pray for you all. For our safety, our wellbeing, and for each other. Please call me personally if I can help you and your family in anyway at all.

Karen Bergin
PRINCIPAL

MAY OUR CHILDREN FLOURISH

We have zero tolerance of child abuse and all allegations and safety concerns will be treated seriously and reported in line with our legal obligations, our moral obligations and our school policies. Creating child-safe environments is a dynamic process that involves active participation and responsibility by parishes, schools, families and communities. It is marked by collaboration, vigilance and proactive approaches across policies, procedures and practices.

As a Catholic Community we respect the Wurrundjeri people, traditional custodians of the land upon which our school resides, and commit ourselves to reconciliation and justice for all in our community and nation.
